Company Profile

Incorporated in 1992, **TYH Marketing** is a full-fledged supplier of sanitary wares and marine cabin furniture fittings with an impressive suite of brands under its portfolio. Today, TYH Marketing owns a 5-storey factory, showroom and warehouse, and holds the distributorship for a multitude of premium brands from Japan, US and Europe. It also markets its own home-grown brand – Global. Global is currently one of the leading brands in the market for flushing systems and sensor faucets that can be seen in the restrooms of numerous factories and shopping centres in both Singapore and Malaysia. Its clientele is reflective of the quality of work as it continues to attract and retain major players in the commercial, building and marine industries.

Armed with a strict philosophy on product quality, TYH prides itself on providing customers maximum product value. The products undergo a proper testing procedure to ensure that quality is not compromised. Durability is an important aspect of TYH's products. We get a mix of customers who are very price-sensitive. Hence, we are honest to them about the high standards of quality that TYH upholds and we ensure that stringent quality control measures are put in place.

The company's success is predominantly due to the formation of a solid team behind the daily operations of the business. A self-empowering company culture enables the employees to grow in their roles and employee retention is a priority. TYH Marketing has retained its most capable employees for as long as 25 years, instilling in them a strong sense of belonging, trust, loyalty and respect.
